

## Sacred 4-Letter Words: WORK

Slaves, obey your earthly masters in everything you do. Try to please them all the time, not just when they are watching you. Serve them sincerely because of your reverent fear of the Lord. Work willingly at whatever you do, as though you were working for the Lord rather than for people. Remember that the Lord will give you an inheritance as your reward, and that the Master you are serving is Christ.

Colossians 3:22-24 NLT

### 1) Work in the right job.

God intended work to be a blessing, not a curse.

What do you love doing? What are you good at doing?

How, when, and where will you work?

Is there a market for your chosen profession?

### 2) Work for the right reason.

We honor God by...

What we do.

Who we are.

What we say.

### 3) Work for the right reward.

Confidence

Character

Sense of accomplishment
